What is “Splatter That Matters”?

This 2nd annual day of fun on the fields of the Bon Secours Washington Redskins Training Center is truly a different way to give back to the community. Put together your team of 12 (seven players and five alternates) and take part in a team-building paintball event that will not only be a blast for you and your colleagues, but will also raise money, awareness and friends for The Doorways.

Each year, The Doorways provides over 50,000 nights of lodging, meals and support to 9,500 patients and loved ones who need to be close to the hospital but not far from the feeling of home. And they do it all through the generous support of donors, community volunteers, local businesses and fundraisers.

Team sponsorships include all of the gear and paint needed to play at least five games, lunch, beverages and an incredible day of team-building and fun among some of RVA's finest businesses. And new this year: two separate tournament blocks, morning and afternoon, for convenient and easy scheduling for your team!
