

# Collection Drive

## for

In the midst of a medical crisis, even a simple trip to the store feels like a barrier between where you are and where you need to be. By collecting and donating these basic goods, you give families in need the gift of staying focused on their health and healing when it matters most!

### HOW:

- 📧 Email **Annie Fruhwald** at [afruhwald@thedorways.org](mailto:afruhwald@thedorways.org) to sign up as a collection drive site!
- 📧 Let us know how many boxes you will need and a member of The Doorways team will drop them off at your site. Boxes include information about The Doorways and flyers of pantry needs.
- 📧 Email, call, and distribute flyers to friends, co-workers, and family members to let them know the collection drive is happening, what items The Doorways needs, and where they can drop off their goods.
- 📧 **Bring in the goods!**
- 📧 When your box is full, email Annie and a member of The Doorways team will come collect the box!
- 📧 Pat yourself on the back for helping support our cause. 😊
