

Collection Drive

for

In the midst of a medical crisis, even a simple trip to the store feels like a barrier between where you are and where you need to be. By collecting and donating these basic goods, you give families in need the gift of staying focused on their health and healing when it matters most!

HOW:

- ✦ Email us at development@thedorways.org to sign up as a collection drive site!
- ✦ We can provide boxes, you can use your own, or encourage the use of our Amazon Wish List
- ✦ Recruit your friends, family, and coworkers to drop off items. Ask us about flyers to post!
- ✦ **Bring in the goods!**
- ✦ When your drive is over, or the box is full, you can bring your donations to The Doorways anytime. Our front desk staff is here 24/7 and can collect items. **For large donations (more than 3 boxes) we ask that you please call in advance so we can prepare space.**
- ✦ Thank all who donated, especially yourself, for supporting our mission! 🤝

*Please note that all donated food must be in its original packaging, unopened, and not past the expiration date.
