Welcome
to The Doorways

You are why we're here. The Doorways has provided lodging for patients and their families and caretakers since its inception in 1983.

A healing environment awaits you. Here, you can expect a relaxing home-like setting with quality service and many convenient amenities to make your stay a pleasant one.

Rest Well

Most rooms have two double beds, and all have a private bath with telephone, TV, mini-fridge, and wi-fi.

Stay in Touch ...

Each room is set up to make incoming and outgoing calls, room-to-room calls, and to receive voice mail. For our long-term guests, you may send and receive all of your regular mail at the front desk.

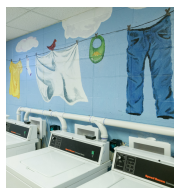

Cook Up a Little Comfort ...

Four fully equipped kitchens are open for use and all guests have complete access to donated frozen foods and pantry items to make your own “home-cooked” meals. On some nights you could be treated to a prepared meal by one of our many volunteer groups.

Enjoy the Entertainment ...

A big-screen TV is available in the 1st floor TV lounge along with a DVD player, movies and puzzles.

Lighten Your Load ...

You'll find free, 24-hour laundry facilities located on the 2nd floor. Detergents, irons, and other laundry supplies are donated and available for use at no charge. Room linens can be exchanged on the 2nd floor during certain linen exchange hours.

Recharge Your Mind, Body and Spirit ...

Other amenities include our healing garden, comprehensive library, fitness room, nondenominational chapel and on-site social workers in the evenings, Monday through Thursday.

Checking In ...

A volunteer or staff member will greet you and assist you with check-in. Our team will also:

- ✓ Verify your referral
- ✓ Issue you an ID card and a wristband
- ✓ Go over the rules of the house
- ✓ Collect your \$30 security deposit

Going Home ...

Before you leave, please collect all linens and place them in a pillowcase. Please check-out at the front desk by noon and return your keycard. This will allow us to prepare your room for the next guest that needs it. At this time, or anytime during your stay, the suggested donation can be made.

Costs ...

- ✓ Our cost to provide each guest a room is approximately \$50 per night. Guests are asked to make a suggested donation of \$15 per guest per night, and to provide a \$30 security deposit at check-in.
- ✓ The deposit is used to offset lodging expenses, or may be refunded upon request at checkout.
- ✓ No one is ever turned away for their inability to pay.

Every time I return, I tell everyone I'm staying at my home away from home. To me, it's family. From the meals, to the music, to the people. There's no better place.

Stay or Go ...

While there is **NO** long term parking at The Doorways, there is temporary parking available for loading/unloading.

Going Home ...

All Doorways' guests can show their guest ID card and park for **FREE** in VCU Health's patient & visitor parking deck. The hospital shuttle service provides **FREE** transportation to and from The Doorways each day.

Pet Policy ...

Only service animals are permitted on premises. For policy details, refer to ada.gov/topics/service-animals.

The Doorways House Rules ...

In every home—even your own—there are a few rules you would like everyone to follow. It's the same here at The Doorways. Our policies are meant to keep you and your family safe and provide a pleasant, convenient, healing experience.

A copy of the house rules will be given and explained to each guest at check-in. Guests who do not follow policy will be asked to leave and will be unable to return.

NO SMOKING ... The Doorways is a non-smoking facility. Smoking is permitted only in the designated area and away from main entrances. Smoking on the balconies outside of the guest rooms is not permitted.
