

Thanks to our donors, our guests' lives are transformed and a lifelong community formed.

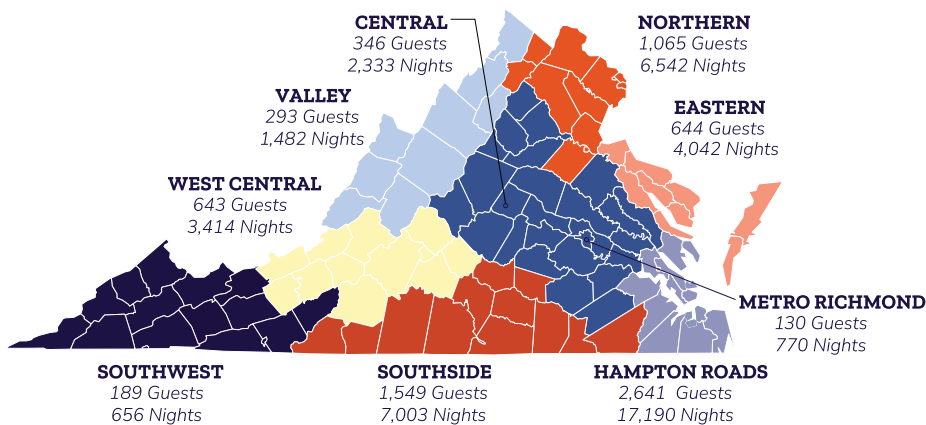

Our mission centers around eliminating obstacles to healthcare access for the medically underserved, financially disadvantaged, and individuals facing difficulty obtaining necessary care within their communities. The Doorways is committed to reducing disparities and promoting health equity, ensuring that everyone has the opportunity to lead a healthy life.

We provide lodging and support for patients and their loved ones who need to be close to the hospital but not far from the feeling of "home."

“When I told my mom about The Doorways, everyone’s focus switched from how and where I was going to stay to focusing on my mom and a safe recovery. That focus helped her to heal from the inside out.”
