

2026 IMPACT REPORT

There's a Story Behind Every Door

Behind every door is a family navigating one of life's most difficult chapters. With **117 private guest rooms**, The Doorways provides lodging and support for patients and caregivers who need to be close to medical care away from home. Here, they find comfort, connection, and a community to support them through the journey ahead. And behind every stay is a community that makes it possible.

No one is ever turned away for an inability to pay

“

To know that you have a place to come to rest and eat...without this place, I don't know how I could have made it. From the bottom of my heart, I will be forever grateful.
